SPEAKER: The motion fails. Now, Mr. Clerk, what do you have on your desk?

CLERK: I have some Committee Reports, Mr. President. Your Committee on Enrollment and Review reports--read. That is all, Mr. President.

SPEAKER: Well, we are now ready to go to Final Reading, I presume. And now, I want to go to the Chairman of the Appropriations Committee. I presume, Senator Marvel, that you would be the proper one to determine whether or not the bill has fiscal impact. All right. We will stand at ease for a few moments here until...Senator Chambers.

SENATOR CHAMBERS: I want to ask a question. Mr. Speaker, could the clerk read that motion of Senator Stulls that was passed?

SPEAKER: I am sure he would be delighted. Mr. Clerk.

CLERK: We just sent it to the Journal room. We will get it. We'll get it.

SPEAKER: He'll bring it back and we'll have it read.

SENATOR CHAMBERS: Here is what I want to know. Did it say that no bills which have fiscal impact will be read on Final Reading?

SPEAKER: Senator Stull. That's the way I understand it. Yes, Senator Stull says that is correct.

SENATOR CHAMBERS: Now, if that motion stands, when you say no that means without exception.

SPEAKER: That's the way the chair understands it.

SENATOR CHAMBERS: Well, what about LB 259?

UNIDENTIFIED: Well, his motion was an amendment to the Carpenter motion of yesterday which excluded 259.

SPEAKER: I believe that is correct that it was an amendment to the Carpenter amendment so it is an exception. I haven't read it but we can decide that later. Legislature is at ease until Senator Marvel finishes his consultation. Yes, while we are waiting here, the clerk has some Resolutions to read into the record. The clerk will read.

CLERK: Mr. President. Legislative Resolution #34. Read. Legislative Resolution #35. Read.

SPEAKER: Mr. Clerk, does that set up an Interim Study Committee? Be referred to the Reference Committee or the Executive Board.

CLERK: Now, Mr. President, I have the motion we adopted by Senator Stull. It is to amend the Carpenter motion of April 16th to permit Final Reading excluding all bills which have a fiscal impact.

SENATOR CHAMBERS: Mr. Speaker, I am on Page 1277 of the Journal and is this...it says, Mr. Carpenter moved to hold all the bills on Final Reading and go to General File. Move all bills toward Final Reading and to expedite LB 259 across the Board to Final Reading. Is that his motion?

SPEAKER: I don't have the Journal before me. Is that correct, Mr. Clerk?

SENATOR CHAMBERS: If I read it correctly, that is the motion...
